Special characteristics

Features

Brilliant with light

This Philips energy-saving lamp offers brilliant light to highlight features or create a welcoming ambience in your room whilst saving energy in comparison to traditional halogen lamps.

Adjustable height

The height of this Philips pendant light can always be adjusted by raising or lowering the bar in the middle of the wires.

- The height of the pendant is easy adjustable

Sustainable light solutions

- Energy saving

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included). This makes the light ideal for highlighting a feature or creating an

PHILIPS

ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
