# HP Spectre XT Pro Ultrabook™

Make your first impression a double take. The HP Spectre XT Pro is the Ultrabook™ designed for those who want style without sacrificing substance. It's sleek. It's thin. It's designed for wherever you're going —from the bistro to the boardroom.

**HP recommends Windows.**

## More than just thin air.
With its ultra thin, all-metal design, the HP Spectre XT Pro looks smart. As thin as 14.5 mm (.57 in) and starting at only 1.39 kg (3.07 lb), you'll be confident knowing you can carry less and do more.

## Design that turns heads. Performance that surprises them.
We gave this Ultrabook™ a solid-state drive and Intel® Rapid Start Technology so you can get going in seconds whenever inspiration strikes. 128 GB SSD[1]. Outstanding reliability. Ready in seconds. Ready when you are.
With the latest Intel® Third Generation Processors, you have all the speed you need. Multitask like mad. Edit documents like a pro. The HP Spectre XT Pro won't hold you back.
With an embedded Trusted Platform Module (TPM) security chip, you can ensure that only authorized users can access anything that is protected by the TPM like data, email, and user credentials – without keeping up with extra security cards or keys.
HP Spectre XT Pro is loaded with the ports you'd expect on a world-class laptop, but on an Ultrabook™ instead. Like HDMI, Ethernet, and multiple USB ports. You get the ultimate networking machine without compromising size.

## For those who want to be seen. And heard.
Thanks to built-in HP Beats Audio™ and four speakers, the HP Spectre XT Pro is designed for the best sounding, richest audio available on a PC. Small size. Big sound.
Sometimes in life, only a face-to-face conversation will do. The HP TrueVision HD Webcam[2] will have you looking your best virtual self even in low light.

## Only from HP.
Keep working or playing even in dimly lit rooms or on red eye flights. The backlit keyboard is full-size so you don't compromise comfort. Backlit keyboard. Another bright idea.
Life heats up. That's why there's HP CoolSense technology, which automatically adjusts your notebook's temperature based on usage and conditions. It stays cool. You stay comfortable.

## Accessories and services (not included)

**HP Mobile USB NLS DVD-RW Drive**

The HP Mobile DVD RW provides an external companion optical drive to accompany a laptop or mini that does not have an internal drive. The external drive provides CD/DVD support as well as Read/Write functionality. It connects to the computer through the USB 2.0 port, and an AC adapter is included.
**Product number: A2U57AA**

**HP Deluxe 4 Wheel Roller Case**

The HP Deluxe 4 Wheel Roller is a durable nylon case designed to carry everything you need for an overnight trip. An outer compartment features divided sections to store important files and business essentials. The case's main compartment includes padded pockets that can hold a laptop up to 17.3-inches (43.93 cm) in size, plus additional cables and cords. The third, over-sized compartment provides plenty of room for a change of clothes, shoes and personal toiletries. A retractable handle locks in two convenient heights. The four wheels swivel and can to rotate 360 degrees to enhance maneuverability, and allow the bag to be transported in a leaning or upright position.
**Product number: XW576AA**

**HP Display and Notebook Stand**

The perfect home base for the business traveler who is constantly on the go - turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display). The adaptable design of the HP Adjustable Display Stand can accommodate a range of notebook sizes with the innovative adjustable shelf. This stand can also accommodate notebooks that can be connected to a docking station and notebooks that do not have a docking connector. Integrated base rollers let you rotate the stand so you can more easily share your work. A dual-hinged, smooth-motion display stand allows for greater depth, height and tilt adjustment for maximum comfort.
**Product number: AW662AA**

**HP 65W Smart Travel AC Adapter**

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. The HP 65W Slim Travel Adapter is perfect for international travelers or "road warriors" who are always on the go. The adapter is 40% thinner than the standard 65W adapter and includes a convenient USB port for charging other accessories while you work. Four international adapter plugs help make sure your Slim Travel Adapter works wherever you do. A stylish protective carrying case keeps everything together.
**Product number: AU155AA**

**HP Keyed Cable Lock**

The HP Keyed Cable Lock is designed to be used with industry standard lock slots like the type found on a laptop, docking station, desktop PC, flat panel display, printer or projector. Secure your valuable IT hardware with this lock that consists of a 6.00' (1.83 m) vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock. The lock features a push-button locking mechanism and a unique key (including a spare key) to unlock the cable. A small Velcro strap is also included to help manage or adjust the length of the cable as you place and use it.
**Product number: BV411AA**

**3-year Next Business Day Onsite**

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely
**Product number: HL510E**
