

Expression Home XP-415

Small-in-one with large touch panel, user-friendly Wi-Fi for multiple users, Epson Connect and Wi-Fi Direct™.

The Expression Home XP-415 is part of the Small-in-One range - Epson's smallest-ever range of all-in-one home inkjets. This printer, scanner and copier offers cost-effective printing for home users looking for Wi-Fi connectivity and mobile printing. Additional benefits include Wi-Fi Direct, for easy printing without a wireless network, a 6.4cm LCD screen plus easy touch-panel operation.

The Expression Home XP-415 comes with Epson Connect¹, offering both flexibility and freedom. It allows you to quickly and easily print documents and photos wirelessly from smartphones and tablet PCs using the iPrint app. You can also print from anywhere in the world by emailing documents and photos directly to the printer. The Scan-to-Cloud function enables you to customise print jobs, storing scanned documents directly in Cloud services.

The XP-415 printer is also compatible with Google Cloud Print and includes support for Apple AirPrint.

The automatic Wi-Fi set-up² makes configuring computers to print and scan wirelessly extremely easy. The XP-415 automatically finds the relevant connection settings in order to configure itself. For added versatility, Wi-Fi Direct allows easy printing from wireless devices without the need for a network.

The XP-415's 6.4cm LCD screen, touch-panel operation, and accompanying memory card slot offers easy-to-use PC-free printing for greater flexibility.

Epson's Claria Home Ink is ideal for affordable reliable printing: producing crisp, clear text documents and glossy, lab-quality photos. With individual ink cartridges you only have to replace the colour used, saving you money.

DATASHEET

KEY FEATURES

- **Small-in-One**
Save space, save money, save time
