

HP t610 Flexible Thin Client

HP t610 Flexible Thin Client delivers added security, broad expansion options and a PC-like multimedia experience for virtualized desktops. A flexible solution with a powerful boost in performance.

Advanced technology, high-end deployment

AMD's APU technology, combining dual core processors with AMD HD 6320 graphics. Features DirectX 11 graphics support, DDR3-1600 RAM with up to 4 GB of capacity and AMD A55E Chipset with DVI-I and DisplayPort outputs.

Reduce poor network connectivity in densely populated work environments with HP Velocity, a new HP feature. As network conditions change, HP Velocity reacts to maintain the highest quality performance.

A flexible PC-alternative

The HP t610 Flexible Thin Client features 6 USB ports: 2 USB 3.0 ports, 4 USB 2.0 ports, and PS/2 legacy ports, as well as 1 serial ports. Use the standard Gigabit Ethernet or built-in WiFi option with dual, internal antennas (WiFi depending on model).

Software flexibility

Preloaded with HP's TPM Chip built-in security feature, NIST-certified BIOS support, optional dual WiFi internal antennas, cable lock slot and power cord retention slot to prevent accidental power-off.

Intuitive network management

Featuring HP Velocity and HP Thermal Protection. Eliminate network noise while maintaining high-quality performance, and guard against data loss induced by overheating.

Eco-highlights

HP t610 Flexible Thin Client is built with the environment in mind, including BFR/PVC-Free and post-Consumer Recycled Plastics > 20% (excluding PCB), ENERGY STAR® qualified, EPEAT® Gold registered.

HP service and dependability

Easy setup, easy manageability and easy maintenance. With HP t610 Flexible Thin Client, you can select from a range of HP Care Pack Services for support beyond standard.

HP t610 Flexible Thin Client

Accessories and services (not included)

HP Smart Card CCID Keyboard

Boost your security, simplify access procedures and reduce the costs associated with managing networks by preventing unauthorized access to your computers and networks using smartcard technology with the HP Smart Card CCID Keyboard.

Product number: BV813AA

HP Keyed Cable Lock

The HP Keyed Cable Lock is designed to be used with industry standard lock slots like the type found on a laptop, docking station, desktop PC, flat panel display, printer or projector. Secure your valuable IT hardware with this lock that consists of a 6.00' (1.83 m) vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock. The lock features a push-button locking mechanism and a unique key (including a spare key) to unlock the cable. A small Velcro strap is also included to help manage or adjust the length of the cable as you place and use it.

Product number: BV411AA

HP Quick Release

A secure and easy-to-use mounting solution for your VESA-compliant HP thin clients, compatible HP flat panel monitors and other HP desktop products. Attach to any a compatible stand, bracket or wall mount and make the most of your workspace.

Product number: EM870AA

HP DisplayPort to DVI-D Adapter

Converts the DisplayPort connector on a HP Compaq Business Desktop computer to a single link DVI-D port. The adapter has a latching DisplayPort connector on one end and DVI-D connector on the other for connecting to a DVI-D monitor cable.

Product number: FH973AA

HP Integrated Work Center Stand for Ultra Slim Desktop and Thin Client

The HP Integrated Work Center Stand is designed to help maximize the use of limited desk space without compromising performance or productivity by accommodating an HP Compaq 6005 Pro, or 8000 Series HP Ultra-slim Desktop PC or an HP Thin Client and most HP 17 to 24-inch* (43,18 to 60,96 cm) diagonal LCD monitors (please refer to compatibility in the Quick Spec) with VESA standard mounting brackets. * HP monitors weighing 3,4 kg to 4,8 kg (7.5 lbs to 10.5 lbs).

Product number: LH526AA

3-year next business day exchange

HP provides quick replacement of your failed hardware unit the day after it goes down, if the problem can't be resolved remotely

Product number: U4847E
