

PHILIPS

AVENT

Disposable breast pads

20 night pads

SCF253/02

Comfortable through the night

Unique breast pads specially designed to help you stay dry and comfortable while sleeping.

Optimal comfort and protection

- All-round leakage barrier
- Overnight protection
- Ultra dry

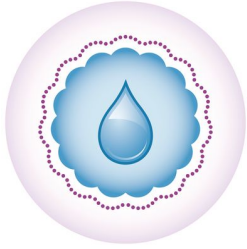

Other benefits

- Developed with breastfeeding expert
- Hygienic
- Silky soft feel

Highlights

All-round leakage barrier

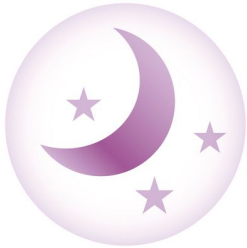

Designed for extra protection when lying down.

Developed with expert

Developed with midwife and baby adviser Vicky Scott who has been supporting mums with breastfeeding for 15 years.

Overnight protection

The Philips Avent breast pads have wider shape and thicker core for added absorbency. Double adhesive strips to secure the pad in place.

Silky soft feel

Silky soft topsheet and breathable, natural materials. Dermatologically tested.

Ultra dry

The Philips Avent breast pads have multiple layers for super absorbency.
