- Tested and approved by independent textile experts

##### Comfortable ironing

- T-ionicGlide: our best 5-star rated soleplate
- Suitable for tap water with Double Active Calc Clean system

- Iron switches off automatically when left unattended
- Quattro Precision Tip for an easy reach in tricky areas
- Iron with smart light feedback indicator

##### Fast and powerful ironing

- 2600 W iron for fast heat-up and powerful performance
- Steam output of up to 50 g/min for better crease removal
- Steam boost up to 190 g

# PHILIPS

## Features

### OptimalTemp technology

The latest revolution in ironing to deliver the perfect combination of steam and temperature. It's made to ensure you with speedy ironing, great results on tough creases, no setting required and safe on all ironable fabrics. The perfect combination of steam and temperature because: 1) Smart Control Processor setting the right temperature 2) HeatFlow technology enabling an even steam and temperature balance.

### 100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

### 100% fast

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

### 100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

### Tested and approved:

This iron is tested and approved by independent textile experts institutes for its excellent ironing performance, such as DWI, IWTO, Woolmark. The Woolmark Apparel Care program helps consumers identify quality laundry products that are approved by The Woolmark Company for use on wool products. Philips with its exclusive OptimalTEMP technology has been so far the only brand able to be certified with the Gold standard from Woolmark. You can be confident that the Woolmark-approved apparel care products are ideally suited for any wool garments.

### T-ionicGlide soleplate

T-ionicGlide is Philip's most premium soleplate. Delivering a new standard in glide and scratch resistance for OptimalTemp irons. The patented new coating will secure excellent results. The carefully designed shape and vent holes provide an even steam distribution for easy crease removal with the steam iron.

### Suitable for tap water

PerfectCare Azur steam iron is designed to be used with tap water. Double Active Calc Clean: A smart combination of Calc Pills and a regular Self Clean reduce the scale built-up. For better ironing results we recommend to use demineralized water. This ensures a consistent steam flow from your iron.

### Safety auto off

The iron shuts off automatically when left unattended. If left on it's heelrest the steam iron will switch off in 3 minutes, when left resting on the soleplate it will take 2 minutes before the iron shuts off.

### Quattro Precision Tip

The Quattro Precision Tip of the steam iron allows you to reach into the most difficult to reach areas while ironing. Iron closely around the buttons with the button groove; having a speedy designed shape for better visibility; a Precision SteamBoost area for a focussed shot of steam and the slim tip for delicate ironing complete the Quattro Precision Tip.

### Smart light feedback

Smart light feedback indicates the status of the iron at any time.

2600 W for fast heat-up

2600 W iron for fast heat-up and powerful performance on all your ironable garments.

Steam boost up to 190 g

The steam boost can be used for vertical steaming and tough creases.

Steam up to 50 g/min

Continuous steam output of up to 50 g/min gives you the perfect amount of steam to efficiently remove all creases.

Specifications
