## Features

### Links to smartphone or tablet

Bluetooth® Hi-Fi Adapter works with Bluetooth-enabled phones and tablets. Just turn on Bluetooth, connect to the Bluetooth Hi-Fi adapter and play music from your smartphone/tablet on your Hi-Fi.

### Bluetooth® connectivity

The Bluetooth® Hi-Fi adapter works with all versions of Bluetooth.

### Stream music library

You store your music on smartphone and tablet. With Bluetooth® Hi-Fi Adapter, you can stream all your music from your music library to your Hi-Fi system.

### Stream online music apps

All music lovers have their favourite music service or online radio apps on their mobile devices. Now you can play them directly on your Hi-Fi system.

### Works with most Hi-Fi systems

You can connect the Bluetooth® Hi-Fi adapter to almost any Hi-Fi or PC speaker system using standard analogue RCA or 3.5 mm jacks.

### RCA or 3.5 mm jack

Standard analogue RCA or 3.5-mm jacks (cables included).

### Enjoy better sound

You love music, and have a huge library on your smartphone and tablet. But the built-in speakers just don't sound right. With the Bluetooth® Hi-Fi adapter you can listen to all your favourite music with better sound.

### Plug-and-play

The Bluetooth® Hi-Fi adapter connects readily to your favourite Hi-Fi. Just plug it into the RCA or 3.5-mm jacks, and you are ready to play music from your smartphone or tablet on your Hi-Fi.

### Compact design

The Bluetooth® Hi-Fi adapter features a compact and streamlined design, looking perfect on your favourite Hi-Fi.
