- QuickClean sieve

- All pulp collected in one place for easy disposal
- Smooth and easy to clean surfaces

#### Easy to use

- Easy checking of the pulp with see-through pulp container
- Quick and easy assembly of all parts

**PHILIPS**

## Features

### Juice up to 2L in one go

You can make up to 2L of juice in one go without needing to empty the pulp container.

### 700 W motor

**700W**

Strong 700 W motor for blending, mixing and crushing effectively.

### XL feeding tube

The 75 mm extra large feeding tube allows you to juice even large fruits and vegetables like apples, carrots and beetroots without pre-cutting.

### QuickClean technology

The Philips juicer is designed for easy cleaning thanks to QuickClean technology. Cleaning can now be done within 1 minute, thanks to the integrated pulp container and smooth surfaces.

### QuickClean sieve

A lot of pulp fibres usually get stuck in the sieve, which makes it very difficult to clean. Thanks to the innovative QuickClean technology all surfaces of the sieve are smooth, which helps you wipe away the fibres with a standard kitchen sponge.

### Integrated pulp container

The pulp will all be collected in the only place where it should be: in the pulp container of your Philips juicer. That means there is no need to remove pulp from other parts such as the lid anymore. Due to the round design and smooth surfaces without nooks and crannies, the pulp is easy to reach and the container is much easier to clean.

### Smooth and easy to clean

The juicer is designed with round shapes and smooth surfaces to facilitate easy rinsing under the tap.

### See-through pulp container

Enjoy a true interactive juicing experience. The lid and the pulp container are transparent so you can see your fruits and vegetables being juiced. You also directly see when the container is full which means it is time to empty it.

### Quick and easy assembly

## Specifications

[field not found 'disclaimer\_text']

### Design specifications

Color(s) Aluminium

Material housing  
Material jug

Aluminium  
SAN jug and PS cover

## Viva Collection

Material pulp container and pusher PS

### General specifications
