

#### Headphones with mic

- 40-mm drivers/closed-back
- On-ear
- Soft ear cushions
- Compact folding

SHL5705BK/00

## High precision sound

With excellent isolation and foldable design

The flexi-cool CitiScape Frames is worn just like your favourite pair of sunglasses. Wherever you go, enjoy precision sound from its closed acoustic system and premium drivers. When you've finished, fold and slip it into its chic protective pouch.

#### Benefits

##### Total sound immersion on the move

- 40-mm premium neodymium drivers for balanced, precise sound
- Closed acoustic design for greater bass and noise isolation
- Pre-tilted ear shells fit any ear for excellent sound sealing

##### Supreme comfort

- Lightweight frame construction for long listening comfort
- On-ear soft cushions for added comfort

##### Designed to stun

- Compact foldable design for easy portability and storage
- Innovative flexi-cool design inspired by stylish sunglasses

##### Design for convenience

- Switch from music to phone calls with built-in microphone
- Carrying pouch included for added convenience
- Detachable anti-tangle cable keeps you knot free

# PHILIPS

## Features

### 40-mm premium neodymium drivers

Immerse yourself in crystal clear sound infused with balanced, natural warmth, thanks to finely tuned 40-mm drivers. Supported by Philips' background in sound excellence, your CitiScape headphones are carefully engineered to reproduce clean, detailed yet natural sound for truly captivating music enjoyment on the move.

### Carrying pouch included

### Closed acoustic design

Be part of the city's buzz but not its noise. With the closed acoustic on-ear design, every sound detail is isolated, allowing you to enjoy greater music detail as well as extended and dynamic bass.

### Compact foldable design

Your headphones can be compactly folded for easy storage and portability.

### Inspired by stylish sunglasses

Inspired by premium trendy sunglasses, your headphone's cool ear shell design is innovatively connected to the headband by a "frame" that folds and can be worn with style and ease. Just like your favourite pair of sunglasses! It even comes in a palette of chic colours and patterns to brighten your outfit... and your day.

### On-ear soft cushions

On-ear soft cushions comfortably hug the contours of your ears for the best possible fit – whatever your head shape. Immerse yourself in your music for as long as you like – in fact, they feel so good that you may even forget that you have them on!

### Precisely tilted ear shells

Pre-tilted ear shells perfectly fit your ear's natural angle, providing an excellent sound seal so you can truly immerse yourself in your music.
