PHILIPS

Features

High PowerLED

The LED module of this lamp is a uniquely developed solution by Philips, combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Compatible with wall dimmer

This light is compatible with an installed wall dimmer (not included in the box).

Adjustable height

Choose the perfect height to match your needs.

Energy saving

This LIRIO by Philips light conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light effect

Light up your home with warm white light. Lirio by Philips introduces a generation of warm white high-power LEDs. This innovation brings our lamps to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
