Highlights

Cup holder

With this practical feature you can store your espresso cups and glasses right on the espresso machine - always within reach and conveniently stored without taking up space.

Ground coffee and Easy Serving

With this coffee machine you can choose between ground coffee and Easy Serving Espresso (E.S.E.) pods.

Classic milk frother

This Saeco espresso machine comes with the classic milk frother, which baristas call "Pannarello". It dispenses steam and needs to be immersed in the milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialities the traditional way!

Pressurised Crema filter

This special crema filter guarantees a long lasting delicious crema
