Can light be architectural?

Imagine a disc of light that's so wafer thin it's almost as if the light comes out of thin air. That's the effect of the new ultra-flat anti-glare LED disc in this Circulis spot light. Its extremely thin lines make it a compact fixture too.

Innovative lighting

- Anti-glare LED disc
- Warm white light effect
- Energy saving

Special characteristics

- Compatible with wall dimmer
- Rotates freely in any direction

Sustainable light solutions

- Philips offers a 5-year warranty on the LED module and driver

Highlights

Anti-glare LED disc

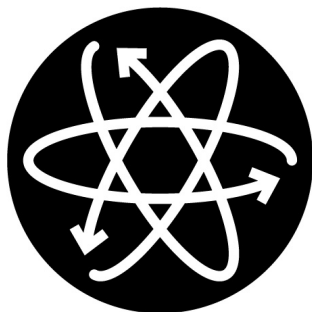

This light features the latest innovation in LED lighting: a flat anti-glare LED disc. This is a stunning array of six high-output LEDs mounted on a gorgeous ultra-thin disc. It directs stray light away from eyes and onto work surfaces without decreasing the brightness level.

Compatible with wall dimmer

This light is compatible with an installed wall dimmer (not included in the box).

Rotates freely

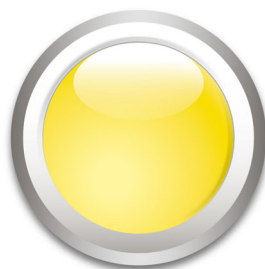

You can rotate the lamp head of the lighting fixture in the desired direction and direct light where needed.

Energy saving

This LIRIO by Philips light conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light effect

Light up your home with warm white light. Lirio by Philips introduces a generation of warm white high-power LEDs. This innovation brings our lamps to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Specifications

Design and finishing

- Material: aluminium
- Colour: white

Extra feature/accessory incl.

- Dimmable
- LED integrated
- Rotates freely in any direction
- 5 year warranty on the LED module
- Photometric data available

Product dimensions and weight

- Height: 5.0 cm
- Length: 27.3 cm
- Width: 19.7 cm
- Net weight: 1.680 kg

Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 13 W
- Maximum wattage replacement bulb: 15 W
- Light colour: warm white
- Beam angle: 50°
- Total lumen output fixture: 350 lm
- Fixture dimmable
- LED
- Built-in LED
- Energy class included light source: built-in LED + bulb of class B
- Fixture is compatible with bulb(s) of class: A to E
- Lifetime up to: 20,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 65 W

Service

- Warranty: 5 year(s)

Packaging dimensions and weight

- Height: 10.2 cm
- Length: 30.3 cm
- Width: 22.1 cm
- Weight: 2.120 kg

Miscellaneous

- Especially designed for: Living Room and Bedroom, Home office and Study
- Style: Modern
- Type: Spot light
