Highlights

5-watt output

5-watt output in a small package

Rugged and splash-proof design

Rugged and splash-proof design ideal for indoor and outdoor use

Built-in rechargeable battery

Play music out loud - anytime, anywhere. The built-in rechargeable battery lets you enjoy your personal music without the fuss of tangled power cords and the inconvenient search for an electrical socket. Enjoy great music with the freedom of portability now.

Connects wirelessly to devices

Connects wirelessly to devices — no more cables

Built-in microphone

With its built-in microphone, this speaker also works as a speaker phone. When a call comes in, the music is put on pause and you can talk via the speaker. Call for a business meeting. Or, call your friend from a party. Either way, it works great.

Convenient auto-sensor

Convenient auto-sensor for music on/off

AUDIO-IN (3.5 mm)

Make one easy connection and enjoy all your music from portable devices and computers. Simply plug your device into the AUDIO-IN (3.5 mm) port on your Philips set. With computers, the connection is typically made from the headset output. Once linked, you can enjoy your entire music collection directly, on a set of superior speakers. Philips simply delivers better sound.

Stereo Bluetooth device

Works with any compatible stereo Bluetooth device
