- 11 W (50 W) E27 cap Warm white

8718291682066

# Experience softer light

# Create a warm, inviting ambience

This Philips Softone energy-saving bulb provides warm, soft light that is easy on the eyes. For a cosy atmosphere. With its 10-year lifetime, this low-consumption bulb will save you money while complementing your luminaires beautifully.

#### **Benefits**

# Innovative design

- · Looks like a standard bulb
- Soft, easy on the eyes light

Saves energy and money

- Saves up to 80% energy
- Long lifetime lasting up to 10 years

#### Features

#### Looks like a standard bulb

This bulb combines energy saving technology with an elegant, traditional look and feel. It is ideal for general home lighting, complementing your luminaires beautifully.

#### Soft, easy on the eyes light

Energy-saving lamps from the Philips Softone series are designed to provide a gentle, diffused light, perfect for general home lighting. Choose between different colour temperatures to create the atmosphere you want.

#### Saves up to 80% energy

This bulb uses up to 80% less energy than traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

#### Long lifetime - up to 10 years

Philips energy-saving bulbs are designed to last. With a lifetime of up to 10 years, you can avoid the hassle and cost of frequently replacing bulbs, while saving energy year in, year out.

<sup>\*</sup> Breaking a lamp is extremely unlikely to have any impact on your health. If a lamp breaks, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Put them in a closed plastic bag and take it to your local waste facilities for recycling. Do not use a vacuum cleaner.

\*\* Compact fluorescent lamps have to be treated as special waste, they must be taken to your local waste facilities for recycling. The European Lighting Industry has set up
