- Safe guidelight
- For kids

#### Sustainable light solutions

- High quality LED light

- Warm white light

#### Special characteristics

- Easy to recharge
- Tilt to turn on and off

**PHILIPS**

## Features

### Soft cuddly friend

This Philips portable light is almost like a real friend to your child. Thanks to the safe LED technology and that it is soft to touch, it accompanies your little one during the night.

### Smooth nightlight

This Philips portable light wakes over your child when he or she sleeps. When he or she wakes up from a bad dream, he or she will find comfort in his or her little glowing friend that keeps an eye on him during the night.

### Safe guidelight

The Philips portable light is a clever LED light to guide young ones during night time.

### High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

### Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

### For kids

This Philips child's room lamp creates an environment which encourages children to indulge in what they enjoy most: fun and creativity! But this lamp is also designed to be safe for your child: it is cool to touch, robust and uses non-toxic paint.

### Easy to recharge

To recharge, simply put this Philips lamp on the included charger base and push the button to start.

### Tilt to turn on and off

By tilting this Philips lamp you can switch it on and off. Surprisingly easy and funny.

## Specifications

[field not found 'disclaimer\_text']

### Design and finishing
