

Lenovo® recommends Windows 8 Pro.

THE LENOVO® THINKPAD® E535* NOTEBOOK

SUPERIOR PERFORMANCE AMD® PROCESSORS WITH INTEGRATED GRAPHICS, USB 3.0, AND FASTER MEMORY

Simplified for business, the Lenovo® ThinkPad® Edge E535 notebook is built with style for growing businesses. The notebook is designed to maximize productivity using industry-leading features tailored to your business need, reducing dependability on dedicated IT staff.

Experience enhanced performance with a choice of processors and productivity with up to AMD® Radeon HD7670M. Progressive design with textured top cover offers a sophisticated level of personalization for your business. Experience outstanding VOIP functionality with a low-light sensitive web camera and unique noise suppression technology that eliminates keyboard noise during video or voice chat. In addition, the notebook is light weight and thin, making your frequent travels more comfortable.

Whether you are looking for moderate price, performance, productivity, durability, or stylishness, ThinkPad® Edge E535 is the right choice.

WHAT WE OFFER

SALIENT FEATURES

POWERFUL PERFORMANCE

The ThinkPad® Edge E535 boosts business performance using:

- New generation AMD® Vision processor with faster integrated graphics engine
- AMD® Dual Graphic technology that produce greater visual performance combined with the Vision APU and Radeon discrete graphics
- AMD® Vision with 62% up faster graphic performance
- Integrated HD 720p camera with face tracking captures highresolution video even in low light environments

STYLISH AND EFFICIENT

The ThinkPad® Edge E535 is designed to be stylish and durable providing:

- Progressive clean design with textured top cover colors for a fashionable look and feel
- Drop-down hinges shows attractive LCD screen and keyboard face clean
- The light weight allows you to travel effortlessly with your notebook
- Enhanced keyboard design with numeric keypad and spill resistance¹

IMPROVED PRODUCTIVITY

The ThinkPad® Edge E535 gives your work both effectiveness and versatility with:

- Dolby Advanced Audio for increased audio clarity on VOIP applications and maximized volume output
- Various call modes for an outstanding VOIP experience
- Private Internet Call mode with single array microphone and improved audio recording clarity with the features, Echo cancellation, Beam forming, and Noise Suppression
- Quick access to microphone, speaker and camera mute buttons, working with VoIP has never been easier

INSPIRED USABILITY

The ThinkPad® Edge E535 provides many innovative usability features including:

- USB 3.0 that powers data transfer at a rate ten times greater than USB 2.0
- SimpleTap Deskband as a single point for notifications and launching Lenovo Solution Center (LSC) and MCP

SERVICE

OFFERINGS

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad® Edge investment. Lenovo Services lets you focus on your customers and business, not your IT.

PRIORITY TECHNICAL SUPPORT*

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, rapid response and resolution.

WARRANTY UPGRADES - ONSITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient, fast repair services at your home or office.

WARRANTY EXTENSIONS (1 TO 4 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.
