LENOVO

SERVICES

Lenovo offers a portfolio of award-winning services to support and protect your IdeaPad P585 investment. Lenovo Services help you go the distance with your PC, saving you from unwanted downtime, and unexpected repair costs

Warranty Upgrades – Onsite/In Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Warranty Extensions (1 to 3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.
