

Philips

Wall light

- Velour
- grey

33200/87/16

Decorate your home with light

The Philips myLiving Velour wall light's fabric housing is as rich as the warm white light that floods your room. The energy efficiency and long-lasting performance are other definite advantages.

Benefits

Sustainable light solutions

- Warm white light
- Philips bulb always included

- Energy saving

Features

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

PHILIPS

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
