Highlights

Adjustable height

This Philips light is delivered with (1 each) 4", 8", 12" and 24" internally threaded stems used in combination to allow flexibility during installation. Combine the stems to create the height that perfectly matches your needs.

Warm white accent light

This light uses the latest energy-saver lamp technology by Philips to efficiently provide an accent of warm, white natural light.

Focal light

Not only can pendant lights create a dramatic accent, they can also add light to task areas, such as a dining table, kitchen island, or reading chair.

Energy Saving

This Philips light conserves energy when compared to traditional light sources, helping you to save money on your electricity bills.

Express your style

Elegant forms and premium materials make it easy for you to let Philips lamps add a personal touch to your décor.
