Specifications

Highlights

Modern style

The Modern style encapsulates the art of understatement. Simplicity and functionality are key, designs are often stark and minimal. With fewer elements to distract your eyes, modern design quality is reflected by the craftsmanship, intrinsic beauty, and even technology found in the materials used. The spirit behind Modern Design is to challenge the norm, to push the creative boundaries.

Indoor

When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.

Matching pieces

This collection also provides a wide variety of accompanying fixtures in different sizes and finishes making it easy to outfit your entire home.

Dry

UL Listed for Dry locations

ADA

Complies with American Disability Act (extends less than 4 inches (102 mm) away from the wall).

Standard incan lamp

This fixture will accept bulbs in a variety of shapes, sizes, and wattages, including high-efficiency screw-in bulbs such as the Philips LED, EcoVantage, and Twister.
