Highlights

Oil-control brush head

The rotating brush, that you use in combination with own daily cleansing products, gives longer lasting oil-control effect which contributes a healthy and radiant skin

SmartClick

Simply click the brush onto you own Philips compatible shaver* and turn it into the ultimate cleansing device.

Silky Soft Bristles

The silky soft bristles, made of 32000 fibers and each of them is only 50 microns in diameter, are as gentle as your hands, while reaching all uneven and difficult spots.

Pivot Contour Following

Constantly keeps the brush in close contact with your skin and reaches all uneven spots.
