

Case Logic SLRC Collection

Medium Camcorder Case

SLDC-203

Accented with vibrant detailing, this case is tailored to fit most compact camcorders. An innovative hammock system and waterproof molded base ensures your camcorder is protected when you're on the move.

Product Features:

1. Compatible with most compact camcorders
2. Patent pending hammock system suspends your camcorder above bottom of case, providing superior impact protection
3. Hammock system also doubles as divider, separating charger from camcorder
4. Water-proof EVA base withstands the elements and allows the case to stand up on its own
5. Three zippered compartments store extra batteries, cords and other accessories
