## Freshen up with beautiful natural light

For roomier bathrooms, the light grey Philips myBathroom Thermen ceiling light provides bright light, colour accuracy, energy efficiency and moisture protection. It provides a spa-like aura, for an ambience that is as breath-taking as it is enduring.

### Designed for your bathroom

- True skin colour with high-quality light
- IP44, perfectly suited for your bathroom

### Sustainable light solutions

- Energy saving
- Warm white light
- Philips bulb always included

# PHILIPS

# Highlights

## True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

## Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

## Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

## Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## IP44 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for the bathroom.

# Specifications

## Design and finishing

- Material: glass
- Colour: grey

## Product dimensions and weight

- Height: 6.5 cm
- Length: 40 cm
- Width: 40 cm
- Net weight: 2.660 kg

## Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: fluorescent, 230 V
- Number of bulbs: 1
- Fitting/cap: 2GX13
- Wattage bulb included: 40 W
- Maximum wattage replacement bulb: 40 W
- Light colour: warm white
- Lamp lifetime up to: 12,000 hrs
- Fixture dimmable: No
- LED: No
- Built-in LED: NO
- Energy class included light source: A
- Fixture is compatible with bulb(s) of class: A+ to E
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: I - earthed
- Lumen output bulb included: 3300 lm
