Powerful MiniVac for a better cleaning result

Wet & Dry system and aerodynamic nozzle

Enjoy a better cleaning result with the powerful Philips MiniVac Wet&Dry 4.8 V vacuum cleaner. Clean both liquid spills and dry dirt in comfort with its wet-and-dry system. The aerodynamic nozzle design ensures a superior dust pick-up.

Benefits

High power guaranteed

- Powerful 4.8 V NiMH batteries

Superior cleaning results

- Aerodynamic nozzle design for a better dust pick-up

Optimal filtration

- 2-stage bagless cyclonic airflow for optimal filtration

Easy to use

- Looped handle ensure optimum grip
- One-step click-off nozzle for easy emptying

Always at hand

- Slim charging base (for wall or table)

PHILIPS

MiniVac

Features

Slim charging base (for wall or table)

You can store the Philips Mini Vac on a convenient charging base, mounted on a wall or placed on a table. This means the Mini Vac, with its powerful rechargeable battery, is always ready when you are.

2-stage bagless cyclonic

The bagless cyclonic airflow keeps the dirt inside rotating to ensure optimal, high suction power and lasting cleaning performance. Its 2-stage filtration system ensures that, once inside, the dirt cannot escape. The first filter blocks most dirt, while the second filter traps the finer dust particles.

Aerodynamic nozzle design

The aerodynamic nozzle design of the Philips MiniVac is created to ensure an optimum dust pick-up of even the most fine dust particles. The ergonomic shape of the nozzle helps you to clean even the most hard-to-reach areas.

Comfortable grip

The Philips Mini Vac has a looped handle that ensures optimum grip. You can grab the Mini Vac in any way you like. The soft rubber coating feels gentle and gives the firm grip you need.

Powerful 4.8 V NiMH batteries

One-step click-off nozzle

The Philips MiniVac vacuum cleaner is easy and quick to empty and hygienic to clean. The Philips MiniVac has a nozzle that easily clicks off in just one step, so you can empty the MiniVac without touching the dirt.
