# Highlights

## High PowerLED

The LED module of this lamp is a uniquely developed solution by Philips combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

## On/off switch on article

With the button discreetly integrated in the article, you can easily switch the light on and off.

## Energy saving

This LIRIO by Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Warm white light effect

Light up your home with warm white light. Lirio by Philips introduces a generation of warm white high power LEDs. This innovation brings our lamps to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
