- Accurate colors with high quality light
- Part of a modular system

Sustainable light solutions

- Energy saving
- Warm white light
- Always a Philips bulb included

Special characteristics

- On/off switch on article

PHILIPS

Highlights

Part of a modular system

This product is part of a modular system. This means it can be connected with other products from this system in any combination. The other products of the system can be recognised by the red jigsaw puzzle piece.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Accurate colors

This Philips kitchen light makes colors reflect in a natural and accurate way. Just the way the sun would do.

Always a Philips bulb included

High quality Philips EcoLamp energy efficient light bulbs are included in the box to achieve the best light effect.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

Specifications

Design and finishing

- Material: metal
- Color: inox

Extra feature/accessory incl.

- On/off switch on article
- Fluorescent lamp(s) included
- Diffused light effect

Product dimensions & weight

- Height: 6.0 cm
- Length: 60 cm
- Width: 15 cm
- Net weight: 1.700 kg

Technical specifications

- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: fluorescent, 230 V
- Number of bulbs: 1
- Fitting/cap: G5
- Wattage bulb included: 14 W
- Maximum wattage replacement bulb: 14 W
- Light color: warm white
- Fixture dimmable: No
- LED: No
- Built in LED: NO
- Energy class included light source: A+
- Fixture is compatible with bulb(s) of class: A++ to E
- Lifetime up to: 24,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
