- matt chrome

59704/17/16

## Make light an essential ingredient

Enjoy the experience of preparing food. These Philips myKitchen Etoile under cabinet lights let you see food in the best light. The matt chrome lights give warm, accurate illumination for cooking and a romantic glow for dinner.

### Benefits

#### Designed for your kitchen

- Accurate colors with high quality light

#### Sustainable light solutions

- Warm white light
- Always a Philips bulb included
- Adjustable light intensity with dimmer switch

- Energy saving

#### Special characteristics

- On/off switch on article

### Features

#### Warm white light

those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while

**PHILIPS**

#### Accurate colors

This Philips kitchen light makes colors reflect in a natural and accurate way. Just the way the sun would do.

#### Always a Philips bulb included

High quality Philips light bulbs are included in the box to achieve the best light effect.

#### Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included). This makes this light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

#### Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

#### On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

## Specifications
