- Energy saving
- Warm white light
- Long operating life of up to 15 years

Special characteristics

- The height of the pendant is easy adjustable

PHILIPS

Suspension light
Wolga white, LED

Highlights

High quality LED light

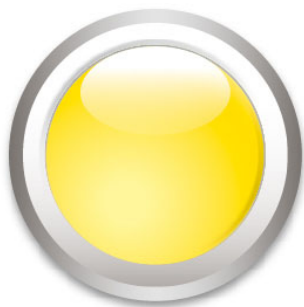

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low

Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Adjustable height

This Philips pendant light is delivered with long cables to offer you maximum flexibility during and after installation. Choose the perfect height to meet your needs.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

Specifications

Design and finishing

- Material: metal
- Colour: white

Extra feature/accessory incl.

- LED integrated
- Adjustable height
- 5 year warranty on the LED module

Product dimensions and weight

- Height minimum: 12.5 cm
- Height maximum: 150 cm
- Length: 7.0 cm
- Width: 7.0 cm
- Net weight: 0.500 kg

Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 3 W
- Light colour: warm white
- Beam angle: 50°
- Total lumen output fixture: 270 lm
- Fixture dimmable: No
- LED
- Lifetime up to: 25,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 35 W

Service

- Warranty: 5 year(s)

Packaging dimensions and weight

- Height: 14.8 cm
- Length: 14.3 cm
- Width: 13.3 cm
- Weight: 0.675 kg

Miscellaneous

- Especially designed for: Living Room and Bedroom
- Style: Contemporary
- Type: Suspension light

Issue date 2017-03-27

Version: 4.0.1
