- Warm white light
- Philips bulb always included

Special characteristics

- The height of the pendant is easy adjustable
- Integrated switch box

PHILIPS

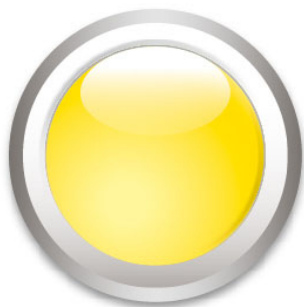

Highlights

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Adjustable height

This Philips pendant light is delivered with long cables to offer you maximum flexibility during and after installation. Choose the perfect height to meet your needs.

Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources,

helping you to save money on your electricity bills and do your bit for the environment.

For kids

This Philips child's room lamp creates an environment that encourages children to indulge in what they enjoy most: fun and creativity! But this lamp is also designed to be safe for your child: it is cool to touch and robust, and uses non-toxic paint.

Integrated switch box

An integrated switchbox makes it very easy for you to switch between full light and orientation light functions.

Specifications

Design and finishing

- Material: synthetics
- Colour: Blue

Extra feature/accessory incl.

- Fluorescent lamp(s) included
- Adjustable height

Product dimensions and weight

- Height minimum: 48 cm
- Height maximum: 200 cm
- Length: 18 cm
- Width: 25.3 cm
- Net weight: 0.960 kg

Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: fluorescent, 230 V
- Number of bulbs: 1
- Fitting/cap: E27
- Wattage bulb included: 20 W
- Maximum wattage replacement bulb: 20 W
- Light colour: warm white
- Lamp lifetime up to: 10,000 hrs
- Bulb technology 2: LED, Safety Extra Low Voltage
- Number of bulbs 2: 1
- Fixture dimmable: No

- Wattage bulb included 2: 2 W
- LED: No
- Light colour 2: warm white
- Lamp lifetime up to 2: 20,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 95 W
- Lumen output bulb included: 1320 lm
- Light source 2 equivalent to traditional bulb of: 15 W
- Lumen output bulb 2 included: 130 lm

Service

- Warranty: 2 year(s)

Packaging dimensions and weight

- Height: 48.4 cm
