Light up your wonder land

Imagine the light wearing a garland of flowers. Energy saving, the Philips myKidsRoom Iridia pendant crafted in wood is just the thing to brighten your little princess room with its witty composition of happy blossoms.

Designed for your kids room

- For kids

Sustainable light solutions

- Energy saving
- Warm white light
- Always a Philips bulb included

Special characteristics

- The height of the pendant is easy adjustable

PHILIPS

Highlights

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Adjustable height

This Philips pendant light is delivered with long cables to offer you a maximum flexibility during and after installation. Choose the perfect height matching your needs.

Always a Philips bulb included

High quality Philips EcoLamp energy efficient light bulbs are included in the box to achieve the best light effect.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

For kids

This Philips child's room lamp creates an environment which encourages children to indulge in what they enjoy most: fun and creativity! But this lamp is also designed to be safe for your child: it is cool to touch, robust and uses non-toxic paint.

Specifications
