Saving in style

The Philips Midway wall and ceiling light is of sturdy construction and timeless design. Its metal base emphasizes the high-quality custom-blown glass diffuser. When lighted, it fills the room with beautiful warm and even light.

Sustainable light solutions

- Energy saving
- Warm white light
- Always a Philips bulb included

Special characteristics

- Suitable for wall and ceiling installation

PHILIPS

Wall light
Midway white

Highlights

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Always a Philips bulb included

High quality Philips EcoLamp energy efficient light bulbs are included in the box to achieve the best light effect.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Wall and ceiling installation

Install this lamp as a wall light or ceiling light, just the way you like it.
