- Long operating life of up to 15 years
- Warm white light
- Philips offers a 5-year warranty on the LED module and driver

Designed for your bathroom

- IP44, perfectly suited for your bathroom
- True skin colour with high-quality light

PHILIPS

Highlights

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

IP44 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for the bathroom.

True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

Specifications

Design and finishing

- Colour: white
- Material: metal, synthetics

Extra feature/accessory incl.

- 5 year warranty on the LED module: Yes

Miscellaneous

- Especially designed for: Bathroom
- Style: Contemporary
- Type: Ceiling light
- EyeComfort: Yes

Power consumption

- Energy Efficiency Label: A++

Product dimensions and weight

- Height: 7.8 cm
- Length: 35.2 cm
- Net weight: 1.950 kg
- Width: 35.2 cm

Service

- Warranty: 5 year(s)

Technical specifications

- Lifetime up to: 25,000 h
- Light source equivalent to traditional bulb of: 35 W
- Total lumen output fixture: 800 lm
- Bulb technology: LED, Safety Extra Low Voltage
- Light colour: warm white
- Mains power: Range 220 V–240 V, 50–60 Hz
- Fixture dimmable: No
- LED: Yes
- Number of bulbs: 3
- Wattage bulb included: 3 W
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II – double insulated

Packaging dimensions and weight

- SAP EAN/UPC – Piece: 8718291455370
- EAN/UPC – Case: 8718291514695
- Height: 38.8 cm
- SAP Gross Weight EAN (Piece): 2.400 kg
- Weight: 2.400 kg
- Net Weight (Piece): 1.950 kg
- SAP Height (Piece): 388.000 mm
- SAP Length (Piece): 94.000 mm
- SAP Width (Piece): 384.000 mm
- Width: 9.4 cm
- Length: 38.4 cm
