- True skin color with high quality light
- IP44, perfectly suited for your bathroom

Sustainable light solutions

- High quality LED light
- Philips offers 5 year warranty on the LED module and driver
- Energy saving
- Warm white light

PHILIPS

Points forts

True skin color

This Philips bathroom light makes colors reflect in a natural and accurate way. Just the way the sun would do.

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP44 - bathroom safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water, this product is most common and ideal for bathroom use.

Caractéristiques

Design and finishing

- Material: aluminium, synthetics
- Color: chrome

Extra feature/accessory incl.

- 5 years warranty on the LED module: YES

Product dimensions & weight

- Height: 5,9 cm
- Length: 34,6 cm
- Width: 14,4 cm
- Net weight: 0,662 kg

Technical specifications

- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 4
- Wattage bulb included: 2.5 W
- Light color: warm white
- Total lumen output fixture: 730 lm
- Fixture dimmable: No
- LED: Yes
- Lifetime up to: 15,000 hrs
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 26 W

Service

- Warranty: 5 year(s)

Packaging dimensions & weight

- Height: 36,8 cm
- Length: 17,3 cm
- Width: 8,3 cm
- Weight: 0,876 kg

Miscellaneous

- Especially designed for: Bathroom
- Style: Contemporary
- Type: Wall light
