

# Case Logic Luminosity™ Collection

## Medium DSLR + iPad® Backpack

DSB-101

Softly padded, breathable shoulder and waist straps adjust to a snug fit for maximum comfort of this lightweight pack. Silent snake divider system offers a customizable, one handed solution to organizing and accessing your DSLR camera, 3-6 additional lenses or flash and accessories. Backpanel fully opens to a great work-out station and top zipper compartment offers a shortcut to your camera while your bag is zipped and ready to go.

### Product Features:

1. Adjustable walls, dividers and safety straps provide dedicated storage for DSLR camera, 3-6 additional lenses or flash and accessories
2. Unique, patent pending snake divider system allows you to customize camera and accessory storage with just one hand to envelope your gear with 360° protection
3. Back panel access to storage keeps gear safe and opens into a great work out of station
4. Interior organizer panel includes elastic pockets for memory cards and filters, a zippered water-resistant compartment for cleaning kit, batteries or other accessories and dedicated storage for your iPad®
5. Front lid zipper offers quick, full access to camera and interior mesh pocket quickly stashes lens cap or cleaning cloth
