## High-performance colour laser printers for business use

The Epson AcuLaser C4000 and Epson AcuLaser C4100 provide businesses with high performance colour and monochrome printing solutions. They add crucial colour to your business, while producing high quality monochrome output at lower costs than many monochrome-only printers - and they are just as easy to operate. So now there's no reason to buy two printers because perfect monochrome and colour solutions are available in one.

### TONER CARTRIDGE COLLECTION PROGRAM

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally-friendly way. There are three easy ways to dispose of your empty cartridges and take an action role in reducing waste:

- Put them in a toner cartridge collection box which will be picked up once full
- Return them free of charge by Post
- Drop them off at an Epson Express Center. Please visit [www.epson.com/recycle](http://www.epson.com/recycle) for more details about the program.

\* Warranty offers are not available for all countries. Please contact your local Epson representative.
