

Epson AcuLaser M2300DTN

DATASHEET

Get speedy A4 mono prints at up to 30ppm with the dependable Epson AcuLaser M2300D series featuring automatic duplex printing as standard.

Designed for desktop users and small workgroups, the Epson AcuLaser M2300D series blends speed and reliability for day-to-day printing you can depend on. There's no need to wait for your prints with a first-page-out time of 6 seconds and a print speed of up to 30 pages per minute. And there's no compromise on quality with a professional print resolution of 1200x1200dpi.

Flexible paper handling: Big jobs are no problem for the AcuLaser M2300D series, which can handle up to 550 sheets using the optional additional paper tray and offers the paper-saving benefit of automatic double-sided printing.

Expandable memory: Adjust the AcuLaser M2300D series' memory with up to 256MB additional RAM to match the needs of your business.

Effortless integration: The AcuLaser M2300D series offers PCL6 support with USB interface, and the DN model has an Ethernet interface for easy sharing across small workgroups.

Save money and the environment: ENERGY STAR qualified power efficiency and Epson's toner cartridge return programme make this printer series better for both the environment and your budget.

TONER CARTRIDGE COLLECTION PROGRAM

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally-friendly way. There are three easy ways to dispose of your empty cartridges and take an action role in reducing waste:

- Put them in a toner cartridge collection box which will be picked up once full
- Return them free of charge by Post
- Drop them off at an Epson Express Center. Please visit www.epson.com/recycle for more details about the program.
