Handy mobile storage

For your on-the-go computing world, convenient media back-up and storage in a plug and play compact accessory. Play from or record to CDs and DVDs.

Quick burns and erasing

Save time with the double burning speed of the dual-layer recording capability. Fast disc writing, erasing, and rewriting with speeds up to 8X DVD and 24X CD.

Sleek and small

With an ultra-space savings height of only 9.5 mm (0.37 inches), the drive provides a refined low-profile design by an appealing silver finish.

HP External USB DVDRW Drive

Featuring

USB plug and play

No power adapter needed. The USB cable connects to your PC's USB 2.0 or 3.0 ports allowing for easy data transfer and constant power for the external drive.

OS compatible

Conveniently works with the Windows 7, Windows 8 and Windows 10, Mac 10.4 or later and Chrome operating systems, so navigate and create with familiarity.¹

Media storage:

Create your own DVD movies, music CDs, or store that big presentation. The dual layer technology allows you to store twice as much data up to 8.5 GB of storage.

Performance protection

To offset data transfer interruptions and slowdowns the drive utilizes buffer under-run protection to eliminate writing errors.

HP External USB DVDRW Drive
