Power system

Quick charge 1 hour(s)

Stubble comb

The stubble comb has been designed for giving more sight while you are trimming as there are no frontal teeth. Moreover, by applying the tip of the trimmer fine contours are possible, by applying the trimmer at different angle on the skin you get more control on individual hair length. This comb is ideal for a perfect stubble or a 5 o'clock shadow where every detail counts.

Corded and cordless use

Use your Philips trimmer corded or cordless with the recharged battery for maximum power and freedom.

Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in only 1 hour for 75 minutes use.

Turbo power boost button

When greater suction power and increased cutting speed is desired while trimming, simply press the Turbo Power Button.

2-year guarantee

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility.
