Features

Unique steam technology

Steaming is a healthy way of cooking. Our unique technology lets the steam circulate upwards from the bottom, making sure all the ingredients are evenly cooked without boiling. Goodness, texture and the cooking liquids are retained for blending.

Steam, flip and blend

You'll find everything you need to make nutritious baby food in one single jar. Once your ingredients are steamed, all you have to do is lift the jar, flip it over and lock it in place, so you can blend to your desired consistency.

Food for every weaning stage

From very finely blended fruit and vegetables to combining ingredients of meat, fish and pulses and finally offering chunkier textures. Our 2-in-1 healthy baby food maker helps to prepare varied food for every step of the weaning and feeding journey.

Tasty and nutritious recipes

Together with our paediatric nutritionist and child psychologist, we've created 12 age appropriate recipes and weaning advice to help you give your baby a healthy start in life and to set good, lifelong eating habits.
