PHILIPS

Flat metal burrs

The burrs regulate the ground size allowing a more consistent and fast grinding.

Easy to clean

The anti-static feature of the coffee ground container ensures minimal dust and mess. One of the most neglected aspects is the coffee dust that flies

around the kitchen whenever you grind your coffee. Thanks to this feature you will have less mess to clean up!

Dishwasher safe

To always keep your ground coffee container clean by simply introducing it into the dishwasher

Stylish and compact

Compact in design, stylish and elegant this new burr grinder perfectly fits in any kitchen.

Family feeling

This compact and stylish burrgrinder perfectly fits to the Poemia design. Nice to have it close to your appliance!

Premium material

Stainless steel finishing for your TOP grinder version.
