

Case Logic Reflexion™ Collection

DSLR + iPad® Medium Cross-body Bag

FLXM-102

This trendsetting messenger defies the typical camera case by offering depths of protection in a cushioned pod with adjustable storage walls and also transforms easily into a modern, casual carry-all. Messenger bag features a protective stash pocket for your tablet and removable camera pod stores DSLR camera, additional lens, flash or accessories.

Product Features:

1. Removable, cinch-top pod with adjustable walls and handles offers dedicated storage for your DSLR camera, two additional lenses or flash and accessories
2. Integrated storage pocket for your iPad®, 10.1" tablet or an ultrabook up to 13"
3. Easily transform DSLR bag into a casual everyday messenger – simply remove pod to create space for books, headphones and other daily essentials
4. Oversized zippers and wire-mouth opening allow smooth, quick access to camera, tablet or ultrabook and open configuration provides a great work-out station
5. Interior zippered lid pocket offers convenient storage space for small valuables
