- \* Avoid extensive use of the set in a volume higher than 85 decibel
- because this may damage your hearing.

  \* Actual transfer speed may vary based on your operating system and software configuration.
- Rechargeable batteries have a limited number of charge cycles and may eventually need to be replaced. Battery life and number of charge cycles vary by use and settings.
- Storage capacity based on 4 minutes per song and 64 kbps WMA or
- 128 kbps MP3 encoding.

  \* 1GB = 1 billion bytes; available storage capacity will be less.
