PHILIPS

Hairclipper series 5000

Features

DualCut Technology

Power through any hair type with our advanced DualCut Technology, which combines a double-sharpened cutting element with low-friction engineering. The innovative cutting element is designed to perform time after time, cutting hair twice as fast as standard Philips clippers, with a robust stainless steel guard for ultimate durability.*

Titanium blades

The advanced Titanium blades are harder than steel for ultimate durability. In addition, the blades are self-sharpening to ensure long-lasting performance and accurate cutting, time after time.

24 lock-in length settings

Turn the zoom wheel to simply select and lock in the length you want, with 23 length settings from 1 to 23 mm, and precisely 1 mm between each length. Or you can use it without the comb for a close 0.5-mm trim.

Corded and powerful cordless use

Use the clipper corded or cordless for maximum power and freedom, with 90 minutes of cordless power after 1 hour of charging.

Turbo boost

The turbo power button boosts cutting speed for a perfect cut even on the thickest hair.

Easy to clean

Simply click open the detachable head to quickly release and wash the blades.

5-year worldwide warranty

All of our grooming products are built to last. They come with a worldwide guarantee and worldwide voltage compatibility. Simply register your clipper at www.philips.com/5years to receive an additional 3 years on top of your standard 2-year Philips guarantee, giving you a 5-year worldwide warranty in total.

Bonus adjustable beard comb

Turn the wheel to simply select and lock in the length you want, whether you have a beard or you want perfect stubble. Just attach the adjustable beard comb for 23 lock-in length settings from 1 to 23 mm, with precisely 1 mm between each length. Or you can use it without the comb for a close 0.5-mm trim.

Hard storage case

Your clipper comes with a reliable hard case for complete durability, to ensure it is kept in optimum condition for ultimate power and precision, time after time.

No oil needed

No oil needed, for easy maintenance and to save you time.
