Specifications

## Double Sided Fixed Shelf for 2-Post Rack 250 lbs Black

AR8422

EAN Code: 0731304199540

### Main

|                           |                                         |
|---------------------------|-----------------------------------------|
| Product or component type | Shelf                                   |
| Number of rack unit       | 3U                                      |
| Provided equipment        | Installation guide<br>Mounting hardware |

### Complementary

|                   |                    |
|-------------------|--------------------|
| Mounting location | Front              |
| Mounting mode     | Not rack-mountable |
| Colour            | Black              |
| Height            | 124 mm             |
| Width             | 495 mm             |
| Depth             | 260 mm             |
| Net weight        | 3.64 kg            |

### Environmental

|           |          |
|-----------|----------|
| Standards | EIA-310D |
|-----------|----------|

### Packing Units

|                              |          |
|------------------------------|----------|
| Unit Type of Package 1       | PCE      |
| Number of Units in Package 1 | 1        |
| Package 1 Height             | 27.9 cm  |
| Package 1 Width              | 29.2 cm  |
| Package 1 Length             | 54.6 cm  |
| Package 1 Weight             | 5.439 kg |

### Logistical informations

|                   |    |
|-------------------|----|
| Country of origin | CN |
|-------------------|----|

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 24 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Environmental footprint

|                                                        |                                               |
|--------------------------------------------------------|-----------------------------------------------|
| Total lifecycle Carbon footprint                       | 19 kg CO2 eq.                                 |
| Carbon footprint of the manufacturing phase [A1 to A3] | 18 kg CO2 eq.                                 |
| Carbon footprint of the distribution phase [A4]        | 0.5 kg CO2 eq.                                |
| Carbon footprint of the installation phase [A5]        | 0 kg CO2 eq.                                  |
| Carbon footprint of the use phase [B2, B3, B4, B6]     | 0 kg CO2 eq.                                  |
| Carbon footprint of the end-of-life phase [C1 to C4]   | 0.4 kg CO2 eq.                                |

## Use Better

### Materials and Substances

|                                        |                                                                             |
|----------------------------------------|-----------------------------------------------------------------------------|
| Packaging made with recycled cardboard | No                                                                          |
| Packaging without single use plastic   | No                                                                          |
| EU RoHS Directive                      | <a href="#">Compliant</a>                                                   |
| REACH Regulation                       | <a href="#">Free of Substances of Very High Concern above the threshold</a> |

## Use Again

### Repack and remanufacture

|                                 |                                                                                                                                                                                                                 |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Recyclability potential, in %   | 95                                                                                                                                                                                                              |
| End of life manual availability | No need of specific recycling operations                                                                                                                                                                        |
| Take-back                       | No                                                                                                                                                                                                              |
| WEEE Label                      |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
