

THE SMARTER WAY TO USE YOUR SMARTPHONE

Free up your hands to swipe, browse and play with the new Jabra Clear, the *Bluetooth*® headset that lets you get more from your smartphone. By going Hands Free, you choose exactly when you want to manage your smartphone hands-on and when you want quick and easy access to your calls, songs and media without any wires or hassle.

Answer and end calls directly from the Jabra Clear, and check battery levels and connectivity at a glance with the built-in status display. When you're on the phone, DSP technology automatically adjusts the sound on your calls to best suit your surroundings, so that every word comes through in astounding detail.

But it's not all talk. Multimedia streaming lets you listen to music, GPS directions and even Internet radio directly through your Jabra Clear.

Available in Glossy Black or Glossy White, so you can choose which color fits your style.

You'll never miss a beat with Jabra Clear.

REASONS TO CHOOSE THE JABRA CLEAR

HD Voice* enhances your sound experience on every conversation

Stream your favorite multimedia including GPS, music & internet radio

Talk while you type, browse and listen to all your media

* Device & network dependent

QUICK START GUIDE

CHARGE YOUR HEADSET

While charging the headset, the battery indicator will show solid red. When the headset is charged, the battery indicator will turn solid green and turn off after 5 minutes. Charging time is approximately 2 hours.

TURNING YOUR HEADSET ON AND OFF

Slide the "on/off" button to turn the headset on or off. The Status-Display™ will light up when the headset is turned on.

PAIRING THE HEADSET WITH YOUR PHONE

FIRST TIME PAIRING

Turn the headset on - the headset is in automatic pairing mode when the *Bluetooth*® connection indicator is flashing blue.

LATER PAIRING

- Turn the headset on. Press and hold the answer/end button until the *Bluetooth* connection indicator is flashing blue.
- Activate *Bluetooth* on your phone. Then set your phone to search for *Bluetooth* wireless technology enabled devices and select Jabra Clear.
- Press 'OK' on the phone and if you are asked for a PIN code, confirm with PIN code 0000 (4 zeros).

VOICE ALERTS

- **Connection**
When your headset has successfully established connection with your phone and is ready to be used, the Jabra Voice Alert will say "connected".
- **Battery Low Alert**
When your headset has battery for less than 30 minutes the Jabra voice alert will say "low battery". This message will be repeated with a ten minute interval.
- **Redialing Alert**
When double tapping the answer/end button on your headset, the Jabra voice alert will say "redialing".

USING YOUR HEADSET

- **Answer a call**
Tap the answer/end button on your headset to answer a call.
- **End a call**
Tap the answer/end button to end an active call.
- **Make a call**
The call will automatically transfer to you headset*. If it does not do so, please tap the answer/end button on your headset
- **Reject a call***
Press the answer/end button.
- **Activate voice dialing***
Press the answer/end button to activate the voice-dialing function in the mobile phone. Please consult your phone user manual for more info about using this feature.
