

## Philips PicoPix

Pocket projector

- 100 lumens
- with WiFi

PPX3610/F7

# Project your life

View all your favorite media in large screen format up to 120" by connecting the PicoPix pocket projector to your devices. Enjoy the convenience of cable free connection with WiFi and DLNA functionality.

## Benefits

### Excellent image quality

- LED technology for brilliant colours and high contrast
- Project HD videos and images up to 120" (305cm) in size

### Ultra portable

- Play videos directly from your SD card or USB stick
- Internal battery for playtime up to 2 hours

### Go online

- Share web content like YouTube videos

### Wireless connection

- Set up an own network to connect other devices
- Connect wireless with other devices within a network

## Features

### Integrated Media player

The integrated MP4 player supports all common video and audio formats. This makes the PicoPix pocket projector a standalone device, retrieving its content from the internal 2 GB memory, USB stick or one of various different types of memory cards.

### Internal battery

The PicoPix comes with a compact built-in rechargeable battery for long-lasting power. Up to 2 hours of continuous movie, photo and music playback

enjoyment can be achieved on a single charge. This makes the PicoPix your perfect pocket companion.

### LED-Technology

Your pictures and videos deserve the best quality when it comes to sharing them with those around you. This is why the PicoPix pocket projector uses high quality LED technology to project your pictures and videos in brilliant colours and breathtaking contrast.
