Indirect light  
LightStrips Extend 1mExt multi color, LED

# Highlights

## Choose among 16 colors

Choose your favorite color out of the 16 different colors including white.

## Diffused light effect

All the different colors blend naturally into your interior thanks to the diffused light effect with an output of 125 lumen / meter.

## Extendable up to 5 meters

The LightStrips Extend are easy to install in different types of applications. The separately available extension kits allow you to extend your product up to 5 meters of length.

## Cut to size

If your LightStrips do not exactly fit the required application, you can easily cut them to size. Cutting marks on the product indicate where to cut.

## Easy to mount

Paste the LightStrips wherever you like thanks to the integrated adhesive strip on the backside.

## Protective silicon layer

Enhanced protection for electrical parts against dust and moisture, even during cleaning.

## Safe LED technology

The LightStrips are safe to touch and use without the risk of open electricity.
