# PHILIPS

## Features

### For kids

This Philips and Disney light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favorite Disney character. This light is designed to be safe for your child.

### For your child's bedside

This Philips and Disney lamp for your child's bedroom fits perfectly on a bedside table or desk. It sheds a soft warm white light, ideal for bedtime routines like reading a book or telling bedtime stories. Close at hand and easy to switch on, it makes your child feel safe and comfortable at night.

### High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your kids room.

### Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cozy light, while those with a higher Kelvin value produce a cool, more energizing light. This light offers warm white light for a cozy atmosphere.

### On/off switch on cable

With the switch discreetly integrated onto the cable, you can easily switch the light on and off.
