## MFC-J200

The MFC-J200 offers simple to use functionality and enhanced connectivity, making it perfect for your home or home office.

The MFC-J200 offers up to 5x more print at no extra cost. Get super high yields of up to 2,400 mono and 1,300 colour pages for our lowest ever printing costs. With a print resolution of up to 6,000dpi you can achieve professional quality prints at home.

Print from or scan directly to your mobile device using the Brother iPrint&Scan app, Apple AirPrint or Google Cloud Print™ using your existing wireless network.

The MFC-J200 is designed with ease of use in mind. Navigate the simple to follow menu system via the 1 line LCD display and well designed control panel.

Scan and copy multi paged documents with ease using the 20 page automatic document feeder, or scan bound documents using the flatbed scanner. Scan to file, email or image.

Connect to your wireless network straight from the box with the MFC-J200's simple set up wizard, to share your machine across multiple users with ease.

All Brother inkjet multifunctional printers use a system incorporating four individual inks meaning that you only replace the ink which runs out, reducing waste and saving you money.

The MFC-J200 complies with the strict ENERGY STAR environmental standards to ensure low energy consumption, low noise levels and a recycle-friendly design.
