## Viewmate workstation - floor 722

This conference trolley is great for video conferencing and telepresence systems. It has platforms for a camera and decoder and is fitted with a dual monitor mount for viewing your own presentation and your audience simultaneously. Because this trolley has big lockable castors, doorways won't present a threshold.

- Conference trolley with big lockable castors (75 mm diameter)
- Convenient clamp lever on height adjustable parts locks them in place
- Able to hold two monitors, a (web)camera and media device or decoder
- VESA MIS-D 75 x 75/100 x 100 mm compatible
- Cable covers keep cables neatly together
- Trolley dimensions (w x d x h): 636 x 600 x 1665 mm
- Max. weight capacity: platforms 10 kg, monitor mounts 15 kg
